## Have your say!

### Independent review of integrated Speech and Language Therapy service in Norfolk

The County Council and NHS Clinical Commissioning Groups have commissioned an independent review of speech and language therapy services in Norfolk.

As part of the review we are particularly interested to hear from parents and carers of children with speech, language and communication needs. Your feedback is extremely important to us and will be used to inform service developments.

The survey is available on the Local Offer [SEND Local Offer > Local Offer news, views and reviews > Views > Speech and language therapy service]

The closing date for the survey is Thursday 24th May 2018.

### Preparing for adult life survey

Norfolk County Council are running a survey for young people aged 14+ and their parents/carers to complete together, capturing your views about transition (planning for a young persons future as they prepare to leave education and move towards adult life).

To complete the survey visit the website <https://www.smartsurvey.co.uk/s/transitionplanning/>

The survey will run throughout the year and the information gathered will help shape the new Transition Service.
