

## Year 1 Summer Holiday Challenges

Please try some of these activities over the summer holidays!

Visit the library and find out about the summer challenges on offer.	Cut out shapes that have straight and wavy lines.	Go on <a href="http://www.phonicsplay.co.uk">www.phonicsplay.co.uk</a> and play a spelling game.
Can you count on and backwards from different numbers? Can you count in multiples of 2, 5, 10 from different numbers?	Try and read different types of books including stories, poems, non-fiction and comics.	Measure some objects at home using a ruler or tape measure and read the numbers. Talk about objects that are <b>shorter</b> or <b>longer</b> .
Can you write a two digit number? Can you write a number which is one more or one less?	Thread pasta and beads.	Read the tricky word list
Make something with Hama beads.	Keep a diary of your summer holiday.	Roll two dice and add the numbers together. Can you count on from the largest number?
Write a shopping list and find the items in the shop.	Paint a picture.	Create your own story.
Can you tell someone the time, using... o'clock? half past?	Write a postcard to a friend about somewhere you have been.	Follow a recipe and weigh out ingredients in grams.
Can you recall the addition and subtraction number bonds to... 10? 20? E.g. $2 + 8 = 10$ $10 - 3 = 7$	Ride your bike.	Go on <a href="http://www.phonicsplay.co.uk">www.phonicsplay.co.uk</a> to play some games.
