

Year 4 Summer Holiday Challenges

Please try some of these activities over the summer holidays!

| | | |
|---|--|--|
| 1. Make up a fantasy story and retell it to your family using the most exciting vocabulary. | 2. Read a book in an 'extreme' location. Check with an adult that it is safe first. Take a selfie as evidence. | 3. Create a PowerPoint about your holiday. Can you include text, images and sound effects? |
| 4. Summarise your holiday in a tweet. You only have 280 characters so be sparing with your words. | 5. Learn to skip/practise your skipping. Count as you go forwards and backwards. | 6. Start a scrapbook of your summer holiday memories. |
| 7. Play a board game with your family. | 8. Read a book by an author recommended by a friend. | 9. Complete the GoGo Hares trail. Can you find the one we did? Take a selfie with it. |
| 10. Write a postcard to a friend about somewhere you have been. | 11. Paint a 'Norfolk Rock' and leave it somewhere to be found. | 12. Cook a meal for your family. Remember the recipes you used in school. |
| 13. Make a new friend. | 14. Spend some time gazing at the night sky. How many constellations can you spot? | 15. Make a times table square. |
| 16. Go to the beach and have a picnic. | 17. Make up a maths board game. Play it with your family. | 18. Find out about a different civilisation. How do they compare to us? |
| 19. Play countdown. | 20. Can you find out some names of collective nouns of animals? Why not draw a picture too? | 21. Teach someone else something you can do that they can't. |
